

ORIGINAL
DECKING

Dear Alex,

RE: Project 16 Coral Gables Key Broadbeach Waters Linton / Lawless

It is with great delight that we write to you at the completion of the above project with words of warm gratitude. From the outset 'The Original Decking Company' had the edge over other competitors looking at our project due to your personal efforts Alex as you simply listened to our needs. It was such a pleasure to have you personally tweaking the project where it was required legally, aesthetically or for safety reasons. (The end results speaks for itself)

To follow up your promises of delivering a first class project, with first class tradesmen was always going to be a big ask. Alex, I can humbly inform you that you have exceeded our expectations (by a country mile) and the finished project is huge, spectacular and a genuine show piece.

Congratulations to all and thank you for a beautiful job. You have transformed our property, added value and indeed the WOW factor to our home (not to mention the laughs and the friendship)

Sincerely
John & Catherine
